ATTENTION - JOB OPENING:

Executive Director

Executive Director of C.A.R.E.S. needed. Must interact with assorted educational institutions, community groups, and volunteers. Public relations skills are essential. Candidate will be responsible for recruiting, screening and training volunteers. Individual should be creative and flexible and have experience developing budgets, writing funded grants, and planning fund raisers. Position requires strong organizational and leadership skills with the ability to write and communicate effectively. Bachelor's degree or equivalent experience required. Prefer experience working with a Board of Directors. Computer literacy is necessary. Call 792-9681 x.27 for information. Send resume, letters of reference, and cover letter with salary requirements by May 15, 1999 to:

South Kingstown C.A.R.E.S.
 307 Curtis Corner Road
 Wakefield, RI 02879

"Never in my whole teaching career has it occurred to me that there are limits to what any student can do. The limitations I perceive are to do with how ingenious or sensitive I can be in devising the right situation or discovering the right materials to reach into my students. I am hopelessly optimistic when it comes to believing in people's capacity to grow and learn." Herbert Kohl

<p>What is South Kingstown C.A.R.E.S. ?</p>	<p>Also ...</p>
<p>South Kingstown C.A.R.E.S. is your school / community volunteer program. C.A.R.E.S. was founded on the belief that learning is a life long endeavor for everyone and that community involvement plays a positive role in student success.</p> <p>In 1996, encouraged by "Goals 2000" and the South Kingstown School Committee's goal of promoting community involvement, a group in South Kingstown was formed to develop a program that would embody this philosophy. Thereby, C.A.R.E.S. was born.</p> <p>C.A.R.E.S. goals are to:</p> <ul style="list-style-type: none"> • Help students develop a love of learning while continuing the learning process ourselves. 	<p>SOUTH KINGSTOWN C.A.R.E.S. ... - Help students feel good about themselves and their community.
- Help students in many areas of the curriculum while preparing them for a successful future.

C.A.R.E.S. currently offers programs at all schools at all grade levels. There are many places where your effort can make a difference. Commitments vary from a one time visit or home projects to weekly or daily site visits. Click on one of the links and learn more about the programs and what you can do in Connecting All Resources for Educational Support.
